

Taha Yassine Najjar

Junior Full-Stack Developer

📍 Beni Mellal, Morocco || 📞 +212 684-211954 || ✉️ [email](#) || 💼 [LinkedIn](#) | [GitHub](#)

Profil :

I am a junior developer passionate about web development and new technologies. I like to learn continuously and work on projects that allow me to improve my technical skills and my ability to solve problems.

I master several modern technologies such as JavaScript, React.js, Node.js, Express.js, HTML, CSS, Tailwind CSS and MongoDB. I also have knowledge in API creation, JWT authentication and development of dynamic and responsive web applications.

Currently, I am looking for a professional opportunity that will allow me to further develop my skills, gain experience in a professional environment and contribute to innovative projects within a dynamic team.

Technical Skills :

Programmation Language : Javascript

Front-end : HTML ,CSS ,React js ,Tailwind CSS

Back-end : Node js ,Express js ,MongoDB ,API Development

Tools & Workflow : Postman , Git/GitHub , VS Code ,Figma, Trello

Methodology : Agile , Scrum

Professional Experiences :

Project collective : Game Explorer

Stack : Pour réaliser ce projet, j'ai utilisé plusieurs technologies modernes, notamment React.js et Tailwind CSS pour le développement Front-End, Node.js et Express.js pour le Back-End, ainsi que MongoDB pour la gestion de la base de données.

Objectif : a pour objectif de créer une plateforme web dédiée à l'exploration des jeux vidéo à travers une interface moderne et dynamique , Ce projet m'a permis de renforcer mes compétences en React, gestion des composants, consommation d'API REST, navigation avec React Router et optimisation de l'expérience utilisateur.
